About Primoris

Primoris Services Corporation is a leading provider of specialty contracting and critical infrastructure services to the utility, energy/renewables and pipeline services markets throughout the United States and Canada. The Company’s diversified base of blue-chip customers, focus on smaller contracts and its high proportion of master service agreements have de-risked its portfolio over the last several years. An expanded presence in higher-margin, higher-growth markets such as utility-scale solar facility installations and telecom/broadband infrastructure have also increased its potential for long-term growth. Additional information on Primoris is available at www.primoriscorp.com.
