

Primoris Services Corporation Announces Solar Award Valued Over \$170 Million

Feb 19, 2019

DALLAS, Feb. 19, 2019 (GLOBE NEWSWIRE) -- **Primoris Services Corporation (NASDAQ Global Select: PRIM)** ("Primoris" or "Company") today announced a new solar award valued over \$170 million with a major independent power producer. The contract was secured by Primoris Renewable Energy, part of the Power, Industrial, and Engineering segment.

- The award is for the construction of a new 497MW solar electric generating facility located in West Texas.
- Once complete, the new facility will be the largest solar photovoltaic facility in Texas.
- Work is scheduled to commence in the first quarter of 2019, and completion is expected in the third quarter of 2020.

ABOUT PRIMORIS

Founded in 1960, Primoris, through various subsidiaries, has grown to become one of the largest publicly traded specialty construction and infrastructure companies in the United States. Serving diverse end-markets, Primoris provides a wide range of construction, fabrication, maintenance, replacement, water and wastewater, and engineering services to major public utilities, petrochemical companies, energy companies, municipalities, state departments of transportation, and other customers. Growing both organically and through acquisitions, the Company's national footprint now extends nearly nationwide and into Canada. For additional information, please visit www.prim.com.

FORWARD LOOKING STATEMENTS

This press release contains certain forward-looking statements, including with regard to the Company's future performance. Words such as "estimated," "believes," "expects," "projects," "may," and "future" or similar expressions are intended to identify forward-looking statements. Forward-looking statements inherently involve known and unknown risks, uncertainties, and other factors, including without limitation, those described in this press release and those detailed in the "Risk Factors" section and other portions of our Annual Report on Form 10-K for the period ended December 31, 2017, and other filings with the Securities and Exchange Commission. Given these uncertainties, you should not place undue reliance on forward-looking statements. Primoris does not undertake any obligation to publicly update or revise any forward-

looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws.
