

# Primoris Services Corporation Announces Pipeline Award Valued at Approximately \$20 Million

Dec 14, 2016

DALLAS, TX -- (Marketwired) -- 12/14/16 -- *Primoris Services Corporation* (NASDAQ: PRIM) ("Primoris" or "Company") today announced a new pipeline award valued at approximately \$20 million. The contract was secured by Primoris Energy Services' pipeline division, part of the Energy segment.

- The project was awarded by a major petrochemical company for work at their multi-billion dollar expansion site in Louisiana. This award is in addition to the work currently being performed by Primoris Energy Services' industrial division and James Construction Group's civil division on the same site.
- The project involves the construction of two export pipelines that will deliver from the chemicals processing facility manufactured product and discharge waste water created during manufacturing.
- Work on this project is scheduled to begin in the fourth quarter of 2016, and completion is expected in the second quarter of 2017.

## **ABOUT PRIMORIS**

Founded in 1960, Primoris, through various subsidiaries, has grown to become one of the largest publicly traded specialty construction and infrastructure companies in the United States. Serving diverse end-markets, Primoris provides a wide range of construction, fabrication, maintenance, replacement, water and wastewater, and engineering services to major public utilities, petrochemical companies, energy companies, municipalities, state departments of transportation, and other customers. Growing both organically and through acquisitions, the Company's national footprint now extends nearly nationwide and into Canada.
