## ABOUT PRIMORIS

Primoris Services Corporation is a leading provider of specialty contracting and critical infrastructure services to the utility, energy/renewables and pipeline services markets throughout the United States and Canada. The Company supports a diversified base of blue-chip customers with engineering, procurement, construction and maintenance services. A focus on multi-year master service agreements and an expanded presence in higher-margin, higher-growth markets such as utility-scale solar facility installations, renewable fuels, electrical transmission and distribution systems and communications infrastructure have also increased the Company’s potential for long-term growth. Additional information on Primoris is available at [www.primoriscorp.com](http://www.primoriscorp.com).
