Primoris Services Corporation Announces Industrial Award Valued at $15 Million

Sep 22, 2016

DALLAS, TX -- (Marketwired) -- 09/22/16 -- *Primoris Services Corporation*(NASDAQ: PRIM) ("Primoris" or "Company") today announced an industrial award valued at approximately $15 million with a major industrial gases company. The contract was secured by Primoris Energy Services' industrial division, part of the Energy segment.

- The award is for site work on a new a steam methane reformer ("SMR") in Baytown, Texas. The SMR will produce approximately 125 million standard cubic feet per day of hydrogen.
- The project consists of sitework construction on roads, underground piping and concrete.
- Construction is scheduled to begin in the third quarter of 2016, and planned completion is in the first quarter of 2017.

ABOUT PRIMORIS

Founded in 1960, Primoris, through various subsidiaries, has grown to become one of the largest publicly traded specialty construction and infrastructure companies in the United States. Serving diverse end-markets, Primoris provides a wide range of construction, fabrication, maintenance, replacement, water and wastewater, and engineering services to major public utilities, petrochemical companies, energy companies, municipalities, state departments of transportation, and other customers. Growing both organically and through acquisitions, the Company's national footprint now extends nearly nationwide and into Canada. For additional information, please visit www.prim.com.

FORWARD-LOOKING STATEMENTS

This press release contains certain forward-looking statements, including with regard to the Company's future performance. Words such as "estimated," "believes," "expects," "projects," "may," and "future" or similar expressions are intended to identify forward-looking statements. Forward-looking statements inherently involve known and unknown risks, uncertainties, and other factors, including without limitation, those described in this press release and those detailed in the "Risk Factors" section and other portions of our Annual Report on Form 10-K for the period ended December 31, 2015, and other filings with the Securities and Exchange Commission. Given these uncertainties, you should not place undue reliance on forward-looking statements. Primoris does not undertake any obligation to publicly update or revise any forward-

looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws.
