

Primoris Services Corporation Announces Entry Into Renewable Natural Gas Market

Jul 24, 2019

DALLAS, July 24, 2019 (GLOBE NEWSWIRE) -- **Primoris Services Corporation (NASDAQ Global Select: PRIM)** ("Primoris" or "Company") today announced a new engineering award, secured by OnQuest, part of the Power, Industrial, & Engineering segment.

- The award is for engineering, procurement, and construction management services for a renewable natural gas facility in the Midwestern United States.
- The project will recover biogas from multiple farm sites and pipe it to a central processing facility.
- Work is scheduled to commence in the third quarter of 2019, and completion is expected in the third quarter of 2020.

ABOUT PRIMORIS

Founded in 1960, Primoris, through various subsidiaries, has grown to become one of the largest publicly traded specialty construction and infrastructure companies in the United States. Serving diverse end-markets, Primoris provides a wide range of construction, fabrication, maintenance, replacement, water and wastewater, and engineering services to major public utilities, petrochemical companies, energy companies, municipalities, state departments of transportation, and other customers. Growing both organically and through acquisitions, the Company's national footprint now extends nearly nationwide and into Canada. For additional information, please visit www.prim.com.

FORWARD LOOKING STATEMENTS

This press release contains certain forward-looking statements, including with regard to the Company's future performance. Words such as "estimated," "believes," "expects," "projects," "may," and "future" or similar expressions are intended to identify forward-looking statements. Forward looking statements inherently involve known and unknown risks, uncertainties, and other factors, including without limitation, those described in this press release and those detailed in the "Risk Factors" section and other portions of our Annual Report on Form 10-K for the period ended December 31, 2018, and other filings with the Securities and Exchange Commission. Given these uncertainties, you should not place undue reliance on forward looking statements. Primoris does not undertake any obligation to publicly update or revise any forward-

looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws.
