

Primoris Services Corporation Announces Utilities and Distribution Award Valued at \$20 Million

Oct 10, 2017

DALLAS, Oct. 10, 2017 (GLOBE NEWSWIRE) -- **Primoris Services Corporation**(NASDAQ:PRIM) ("Primoris" or "Company") today announced a new Master Service Agreement ("MSA") with a major utility customer with an anticipated value of approximately \$20 million. The contract was secured by ARB Underground, part of the Utilities & Distribution segment. While the MSA does not obligate the customer to award Primoris a specific dollar amount, our discussions with the customer and our history with similar clients form the basis for our anticipated value.

- The award is a one-year agreement to provide natural gas pipelines construction services in Southern California.
- The work includes transmission and distribution pipeline installations, service installations, valve installations, miscellaneous gas work, street repair work, and crew oversight. The majority of the work will be for the customer's small diameter gas distribution systems.
