

Primoris Services Corporation Announces Engineering Award Valued at Over \$10 Million

Oct 20, 2016

DALLAS, TX -- (Marketwired) -- 10/20/16 -- **Primoris Services Corporation** (NASDAQ: PRIM) ("Primoris" or "Company") today announced a design award valued at over \$10 million with a major petroleum company. The contract was secured by Primoris' OnQuest, part of the Energy segment.

- The award is for the design and supply of three heaters to a refinery on the Gulf Coast near Houston, Texas.
- The new heaters will assist in lowering the sulphur content in gasoline, helping the refinery meet the EPA's new Tier 3 regulations.
- Work on this project is scheduled to begin in the fourth quarter of 2016, and completion is expected in early 2018.

ABOUT PRIMORIS

Founded in 1960, Primoris, through various subsidiaries, has grown to become one of the largest publicly traded specialty construction and infrastructure companies in the United States. Serving diverse end-markets, Primoris provides a wide range of construction, fabrication, maintenance, replacement, water and wastewater, and engineering services to major public utilities, petrochemical companies, energy companies, municipalities, state departments of transportation, and other customers. Growing both organically and through acquisitions, the Company's national footprint now extends nearly nationwide and into Canada. For additional information, please visit www.prim.com.

FORWARD LOOKING STATEMENTS

This press release contains certain forward-looking statements, including with regard to the Company's future performance. Words such as "estimated," "believes," "expects," "projects," "may," and "future" or similar expressions are intended to identify forward-looking statements. Forward-looking statements inherently involve known and unknown risks, uncertainties, and other factors, including without limitation, those described in this press release and those detailed in the "Risk Factors" section and other portions of our Annual Report on Form 10-K for the period ended December 31, 2015, and other filings with the Securities and Exchange Commission. Given these uncertainties, you should not place undue reliance on forward-looking

statements. Primoris does not undertake any obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws.
