

# Primoris Services Corporation Announces Underground Award Valued at \$30 Million

Nov 09, 2016

DALLAS, TX -- (Marketwired) -- 11/09/16 -- **Primoris Services Corporation** (NASDAQ: PRIM) ("Primoris" or "Company") today announced an extension of a Master Service Agreement ("MSA") with a major utility customer with a three-year anticipated value of \$30 million. The contract was secured by Q3 Contracting ("Q3C"), part of the West Construction Services segment.

- The award is a three year agreement to perform natural gas main and service renewal work in Nebraska.
- The work includes renewing the existing natural gas mains in the right-of-way along with associated services to the homes.
- We estimate that the MSA will generate approximately \$10 million per year over the course of the contract. While the agreement does not obligate the customer to award Primoris a specific dollar amount, our discussions and history with the customer form the basis for our anticipated value.
