Purpose of the Committee

The purpose of the Strategy and Risk Committee (the “Committee”) of the Board of Directors (the “Board”) of Primoris Services Corporation (the “Company”) shall be to oversee the Company’s portfolio of businesses; review and make recommendations to the Board regarding the Company’s proposed mergers, acquisitions, and divestitures; and review the Company’s strategic plans, including its capital structure, proposed methods of financing, and investment strategies related to acquisitions and divestitures. The Committee shall have the overall responsibility to review, approve, and monitor the acquisitions and investments of the Company, including acquisitions, dispositions, and investments in debt and equity instruments, to the extent within the parameters described below. The Committee shall not have oversight responsibility with respect to the Company’s financial reporting, which is the responsibility of the Audit Committee of the Board.

Composition of the Committee

The Committee shall be comprised of three or more independent directors. The members and the Chairperson of the Committee shall be appointed annually by the Board, upon the recommendation of the Board’s Nominating and Corporate Governance Committee. A member shall serve until that member’s successor is duly appointed, or until the member’s earlier resignation or removal. Such members shall serve at the pleasure of the Board, upon the recommendation of the Nominating and Corporate Governance Committee.

Vacancies on the Committee shall be filled by majority vote of the Board at the next meeting of the Board following the occurrence of the vacancy or by written consent of the Board. No member of the Committee shall be removed except by majority vote of the Board. Members may be removed by the Board with or without cause.

Meetings and Procedures of the Committee

The Committee may fix its own rules of procedure, which shall be consistent with the Bylaws of the Company and this Charter. The Committee shall meet as often as may be deemed appropriate, in its judgment, and at such times and places as the Committee determines. The Committee shall also meet periodically in executive session. The Committee may also act by unanimous written consent in lieu of a meeting.

The Board may designate one member of the Committee as its Chairperson and in the absence of any such designation by the Board, the Committee shall designate by majority vote of the full Committee one member of the Committee as its Chairperson. The Chairperson of the Committee or a majority of the members of the Committee may also call a special meeting of the Committee. A majority of the members of the Committee present in person or by means of a conference call telephone or other communications equipment by means of which all persons

participating in the meeting can hear each other shall constitute a quorum. In the event of a tie vote on any issues being voted on by the Committee, the Chairperson's vote shall decide the issue.

The Committee may request that any directors, officers or employees of the Company, or other persons whose advice and counsel are sought by the Committee, attend any meeting of the Committee to provide such pertinent information as the Committee requests.

The Committee shall regularly report to the Board on Committee findings, recommendations on Committee actions and on the fulfillment of the Committee's duties under this Charter and on other matters the Committee deems appropriate or the Board requests. The Committee shall keep written minutes of its meetings, which minutes shall be maintained with the books and records of the Company.

Duties of the Committee

Subject to the limitations set forth in this Charter, applicable, laws, regulations and listing standards, and except as otherwise provided by the Board from time to time, the Committee shall:

- d. Review and discuss with management and the Board the Company's risk profile, risk appetite and strategy relating to key business acquisition investment risks.

Evaluation of the Committee

The Committee shall, on an annual basis, evaluate its performance under this Charter. In conducting this review, the Committee shall evaluate whether this Charter appropriately addresses the matters that are or should be within its scope. The Committee shall address all matters that the Committee considers relevant to its performance, including at least the following: the adequacy, appropriateness and quality of the information and recommendations presented by the Committee to the Board, the manner in which they were discussed or debated, and whether the number and length of meetings of the Committee were adequate for the Committee to complete its work in a thorough and thoughtful manner.

The Committee shall deliver to the Board a report, orally or in writing, setting forth the results of its evaluation, including any recommended amendments to this Charter.

Delegation of Authority

The Board has delegated to the Chief Executive Officer and the Chairman of the Board (or, in the absence of a Chairman or when the roles of Chairman and Chief Executive Officer are

combined, the Chief Operating Officer of the Company) concurrent decision-making authority regarding consideration to be paid, transaction structure and due diligence associated with any management proposals for acquisitions that involve aggregate consideration (including debt assumed) of no more than \$25 million individually; provided, however, that all acquisitions still require the Chief Executive Officer and the Chairman of the Board (or, in the absence of a Chairman or when the roles of Chairman and Chief Executive Officer are combined, the Chief Operating Officer of the Company) to inform the full Board of the transaction before entering into a definitive agreement. For this purpose, acquisitions shall include joint ventures, investments in new businesses and partnership arrangements.

The Committee may form any other subcommittees for any purpose that the Committee deems appropriate and may delegate to such subcommittees such power and authority as the Committee deems appropriate; (including a subcommittee consisting of a single member); provided, however, that the Committee shall not delegate to a subcommittee any power or authority required by any law, regulation or listing standard to be exercised by the Committee as a whole.
