**PRESS RELEASE**

**Primoris Services Corporation Awarded \$260 Million Solar Project**

**Dallas, TX – June 23, 2022 – Primoris Services Corporation (NASDAQ Global Select: PRIM) (“Primoris” or the “Company”)** today announced a solar project with an estimated value of \$260 million. The contract was secured by the Company’s Energy/Renewables Segment.

“The organic growth of our utility-scale solar business is one measure of the success of our energy transition strategy,” said Tom McCormick, President and Chief Executive Officer of Primoris. “With over 3,200 megawatts of solar power projects under construction currently in 2022, Primoris ranks as one of the leading EPC contractors in the space. This contract brings our year-to-date total of new solar business to more than half of a billion dollars.”

The award is for the engineering, procurement and construction of a utility-scale solar facility in the South. Initial project construction will begin in the third quarter of 2022 with completion of the project expected in the fourth quarter of 2023.

**ABOUT PRIMORIS**

Primoris Services Corporation is a leading specialty contractor providing critical infrastructure services to the utility, energy/renewables and pipeline services markets throughout the United States and Canada. The Company supports a diversified base of blue-chip customers with engineering, procurement, construction and maintenance services. A focus on multi-year master service agreements and an expanded presence in higher-margin, higher-growth markets such as utility-scale solar facility installations, renewable fuels, electrical transmission and distribution systems and communications infrastructure have also increased the Company’s potential for long-term growth.
